MANDATORY MEETING: THURSDAY, August 29, 2019 at 6:00 p.m. at the Livonia dojang. (Stay for the “testing” class at 7:15!) You will be able to register and pay, and complete all signups required at this meeting. However, if you would like to take advantage of the installment payment option, those payment due dates are Jun 25, July 25, Aug 25, Sept 25. We cover very important information including what is expected of testing candidates and their parents. To be clear, ALL STUDENTS TESTING FOR BLACK BELT MUST attend. If you are under 18, a Parent must attend with you. If you are unable to attend, please let Master Watson know so she can put you on the list for the next test instead. If you are testing for E Dan, Sam Dan, Sa Dan, or Kyo Sa, AND you have completed every box on the “master sheet”, and have registered and paid before August 29, 2019 (or are on the installment plan), your attendance is optional.

To properly prepare for this meeting and the test, **please save** this letter, and/or go to the link listed previously, for detailed BB testing information. *E-mails and messages left for us that ask questions already answered in this document will not be returned.*

CONDITIONS TO TEST:

- Must be attending class regularly, a minimum of three times per week.
- In every class, you must be able to demonstrate all curriculum, especially physical fitness (particularly pushups and running), correctly, with confidence, intensity, and power. You must demonstrate a 100% commitment every class, as if you are testing during that class.
- Must be able to break the appropriate-sized board for your age. (Same as tournament reqs)
- **Testing for Cho Dan must pass the 2nd pre-test for Black Belt in AUGUST**, if applicable. All others should plan to do the August test as a Practice.
- Must demonstrate the proper respect and maturity expected of a **World Class** Black Belt.

TESTING INFO:

- Black Belt tests, including level-tests AFTER you are a Black Belt, are always the FIRST Saturday in March, and the FOURTH Saturday in September.
- **An invitation to test is not a guarantee candidate will pass. Testing fees are not refundable but may be applied to a re-test.**
- Embroidered belts must be ordered by the deadline, otherwise student will have to wait six months until the next order, or pay the additional cost of a one-belt order plus shipping and handling. **Embroidered belts are forfeited and non-refundable if candidate does not pass.**
- Time/Written Exam: Testing will begin promptly at 9:00 a.m. with a written history exam. The questions and the answers can be found on our website under “Student Info.” A passing grade is 80%. Students will not be promoted if they do not pass the written exam.

- Dress Code: You will wear your uniform for testing. You may bring a KARATE SCHOOL T-SHIRT for the run/physical fitness. Please wear nice clothes for dinner afterwards. **No jeans/No t-shirts.**
- The test will conclude between 3:00 p.m. - 4:00 p.m. depending on how many test.
- We have included a checklist for you to use on testing day so you know what to bring.
- Testing Requirements: In addition to the technical requirements, the dinner after testing is part of the day and is required for the testing candidate. **If the candidate has other activities scheduled on that day and choose the other activity instead of completing their testing day with the group dinner, they are excused from testing and will hopefully receive a new invitation to test in six months if their training and readiness has not changed.** If the candidate tests and is a no-show for dinner, they will not be promoted until the next test, in six months.
- Physical fitness is a requirement like any other technical requirement. Students know what is expected of them. Physical fitness is not something they can re-test on. If they do not pass physical fitness, they are required to complete the entire test again in six months.
- Sparring/Weapons **You must bring your own sparring gear that fits properly, and your own weapons.** Do not plan to borrow the “emergency” gear that we keep in stock for beginner students that have not yet had a chance to purchase their own gear. Sparring is not something that can be re-tested. If the testing candidates give up, walk off the floor, or act in a manner other than what we expect of a **World Class** Black Belt, they will not pass. This is true of their Parents too. We know as Parents ourselves that it’s not always easy to watch your child spar. If you do not believe you can watch without interfering, please plan to leave the room (or building) during that 4-minute period, so you don’t jeopardize the Student passing.
- CARDIO KICKBOXING (“Get Fit” in Madison Heights) will help build endurance so you should consider joining those classes to prepare for this test. Free to “Red 4s” both places.
- Coolers: You are welcome to bring a cooler if you desire, with drinks and snacks, but please also **bring a towel or mat** to set under it. When the coolers “sweat” onto the carpet, they leave a stain. If you forget a towel or mat, you will be asked to leave the cooler outside.

AFTER TESTING/Clean Up and Dinner:

- Clean Up: Those that are testing are responsible for tidying up the dojang. (Or families can help out while the Students are doing the 1 mile run.)
- Dinner: After clean up, all Black Belt candidates (required) and their families (optional) join us for dinner at Lim’s Star Café down the street from the dojang. We like each person to share their favorite part of the day. If you are testing and cannot make dinner, your promotion will be delayed to the next one 6 months later.
- Dinner Fee: Only \$16 per adult and \$8 per child (6 and under) for all-you-can-eat dinner. This price includes dinner served family-style consisting of 6 main dishes, soft drink, tea, egg roll, soup, fortune cookie, tax, and tip. It’s DELICIOUS and you usually go home with tons of leftovers! Please sign up for the dinner when you register for testing with the total number in your party attending. This fee is non-refundable once we give the restaurant the number.
- Menu: We pre-order dishes that even those that “don’t like Chinese” will enjoy including Yong Chow Fried Rice, General Tsao Chicken (no spice), Beef Lo Mein, Cantonese Fried Shrimp (big

Shrimp Circles), Beef Egg Foo Young and Almond Boneless Chicken. If anyone has **special dietary needs**, including vegetarian meals, please let us know now, to place a special-order.

- Dress Attire: Black Belts (including those testing for Black Belt) **and their guests** are required to wear “nice” clothes to all events. In other words, **No blue jeans; No T-shirts please.**

PROMOTIONS:

- Promotions will be 2 weeks plus one day after testing, on Sunday, at 4 p.m. (SHARP) in Livonia. There are no makeup promotions for black belt; the next promotion will be in 6 months if you are unable to make the scheduled promotion.
- Dress Attire: Dress attire for all participants **and guests**, is “nice clothes”. **No jeans, no t-shirts. Please let your guests know.** Black Belt candidates should wear or bring their dobok for the ceremony. They can change back into nice clothes after the demo.
- **Please let your guests know that no shoes are permitted on the mats.** They may bring clean slippers to wear if they are not comfortable in bare feet, or socks only.
- Parking: If parking is full when you arrive, please across the Street at McLaren’s. (We have an agreement with them.) We appreciate you not parking in front of the house next-door as his grass has been damaged in the past by tire marks.
- Dinner: Each “testing” family brings a **main course dish**, to share for dinner. Please sign-up for your dish beginning now so we can coordinate the menu. Examples of past dishes: Ham, Meatballs, Mostaccioli, Mac N Cheese, Biryani, Chicken, Cheesy Potatoes, Empanadas, Kielbasa/Sausage, Appetizers for all for tables, Dessert like sheet cake or brownies for all. (Level-testing Black Belts that attend promotions bring Salad, Veggies, Water, Juice.) Usually 2 families sign up for Desserts and split the burden. There are usually at least 100 people at promotions, but it could be more or less depending on how many test. We will keep you informed, via e-mail, as to the actual number as we get closer to promotion day.
- We have warming pans/sterno available. We also have extension cords for crock pots and other warmers, but too many blow the circuits. Don’t forget SERVING UTENSILS! 2 per dish.
- Guests: You may have at least 8 attendees, including the student, at promotions. Include ALL members of your party when you give us the number. We can usually accommodate requests for more than 8, but we set up the exact number of chairs and tables, using a seating chart, so exact numbers are needed. We cannot just “squeeze a chair in” as we may not have an extra chair to squeeze! Nor the space to squeeze it into.
- Guests that are also Black Belts that have completed their level-test: If you have level-testing Black Belts invited to be your guests at your table, please let Master Watson know so we don’t double-count them or miss assigning them what to bring.
- Set-Up and Clean-Up: Many hands make light work! You will be asked to sign up to help with either set up the day before promotions, or to come at 2:30 p.m. the day of promotions to help with balloons and food set-up, or stay after promotions to help with clean-up and taking down tables and chairs. Please sign up for this ASAP as it is first-come, first-serve.

- Pictures: We would like at least 3-4 pictures of the Student for the slide show presentation. If you have a White Belt, Orange or Green Belt, and a Red Belt picture, that would be optimal. Please send these **electronically** to mastervaleriewatson@gmail.com beginning today.

PROMOTION DEMONSTRATION:

- Each student is required to prepare a short demo for promotion. The students can work individually, or with partners/group. The demo must include an open-hand **or** weapons form, **and** a demonstration of self-defense **and/or** breaking routine, and **must be approved in advance** by your Head Instructor. (See chart at end of this letter for all due dates.)

ESSAY:

- DUE: Black Belt Essays are due **electronically** to mastervaleriewatson@gmail.com by the **FRIDAY AFTER TESTING**, in order for you to complete the requirements necessary for promotion. Student **will not be promoted if the essay is late**, as the due date reflects the deadline for the promotion booklets to go to print. The next promotion is in 6 months.
- REQUIREMENTS: Arial font; one page minimum; **12 pt font, no more than double spaced, including the space between the heading/name and the start of the essay**; no more than 1 inch margins. Student will not be promoted if the essay does not meet the above page requirements, as a thoughtful essay is equally as important as the other requirements. Feel free to seek help editing for grammar and spelling before essay is submitted. We reserve the right to edit as well, if needed.

PROGRAMS/CONTINUE ON:

- Cho Dan means "beginning." You are now beginning to understand the martial arts journey. A minimum six-month program AS a black belt is encouraged so you can really begin to experience the fruits of your labors!
- Tuition is only \$30 per month if you sign up to assist teaching two classes per week. \$60 for one class per week. \$90 for no teaching. Discounts are applied when tuition is due, so if you are unable to make the classes you agree to teach, the discount must be re-paid (added back to the next tuition payment).
- Once any re-test items are cleared, candidate may begin attending Black Belt class!
- Students must sign up for a continuing program after testing, in order to continue training.
