What is your Camp?

Our camp is designed to give your child an edge when he or she returns to school, through our martial arts philosophies that are integrated into our daily activities. Best of all your kids will love it! **Don't let your kids waste their summer** vacation watching mindless television, playing video games or surfing the

net. Instead, use this summer as a chance to improve your child's self-confidence, discipline, attitude and level of respect. As a parent, you'll be glad to know that we specialize in teaching children the important things in life. Traits such as respect, courtesy, honor, self defense and leadership skills. What other summer activity can give your child this kind of advantage in life?

**Empower Your Child
with the Tools for**

What Style of Karate?

Our base martial art is rooted in the traditional Korean art of Tang Soo Do. We also include techniques from several other styles to provide you with a well-rounded curriculum. Tang Soo Do itself is one of the most popular of traditional Korean martial arts. Based on foot-

fighting and empty-hand techniques that are both hard and soft, offensive and defensive, passive and active in nature, Tang Soo Do is a classical martial art steeped in tradition and the military spirit. Tang Soo Do was created with a purpose to develop every aspect of self, to create a mature personality that integrates intellect, body, emotions, and spirit.

Does Anything Last a Lifetime?

Honor—Pride—Respect—Confidence!

**A black belt is more than something you
earn...it's something you become!**

What else do they do other than Karate?

After morning class, our students are outdoors, weather permitting. Our itinerary incorporates sportsmanship, team-work, physical fitness, & character building activities. No other summer program integrates this kind of discipline, self-confidence, conflict resolution, leadership, physical fitness, and martial arts training into their day! But don't tell them—they just think it's FUN!

Why World Class Institute of Martial Arts?

Because you want to **TRUST** who your children are with! Our School and Karate Camp are personally directed by Grandmaster Duane Pitcher, Master Valerie Watson, and Master TJ Norton. Our other counselors have been with WCIMA for many years and we trust them, too! Our summer camp has become so popular, that kids don't want to return to other camps they've tried! We keep it small and personal and get to know each student individually to ensure they are learning the important tenets of karate as well as having a **World Class** fun time! **Camp fills up fast!**

**Don't let your child be BORED this
summer! Keep them safe and happy
with people you can trust.**
