

# Ninja Day Camp

Are you ready to have the time of your life?! Spend the night sleeping over with the Black Belts and Ninjas!

Campers are provided with a variety of events supervised by Black Belts and Adult leaders. Even for children that have never been away from home, this overnight camp provides so many fun and memorable activities, that the campers are too tired by the end of the day to think about being homesick! Rain or shine our activities continue, even if we have to move them indoors.

Registration is first-come, first-serve.

Parents **and** Non-Student friends are WELCOME TO ATTEND!

Fees: Campers meet at "Pitcher Park." The fee is only \$60 for all activities, Saturday lunch and dinner, including drinks and snacks throughout the day. Pay in full to guarantee your spot. ADULT LEADERS are FREE but spots are limited.
