**MANDATORY MEETING:** THURSDAY, March 21, 2024 at 6:15 p.m. at the Livonia dojang. (Stay for the “testing prep” class at 7:15!) You will be able to register and pay, and complete all signups required at this meeting. However, if you would like to take advantage of the installment payment option, those payment due dates are Feb 10, Mar 10, Apr 10, May 10. We cover very important information including what is expected of testing candidates and their parents. To be clear, ALL STUDENTS TESTING FOR BLACK BELT MUST attend. If you are under 18, a Parent must attend with you. If you are unable to attend, please let Master Watson know so she can put you on the list for the next test instead. **If you are testing for E Dan, Sam Dan, Sa Dan, or Kyo Sa, AND you have completed every box on the “master sheet”, and have registered and paid before March 28, 2024 (or are on the installment plan), your attendance is optional.**

To properly prepare for this meeting and the test, **please save this letter**, and/or go to the link listed previously, for detailed BB testing information. *E-mails and messages left for us that ask questions already answered in this document will not be returned.*

## CONDITIONS TO TEST:

- Must be attending class regularly, a **minimum** of three times per week is suggested.
- In **every class**, you must be able to demonstrate all curriculum, especially physical fitness (particularly sparring, pushups, running), correctly, with confidence, intensity, and power. You must demonstrate a 100% commitment every class, as if you are testing during that class.
- Must be able to break the appropriate-sized board for your age. (Same as tournament reqs)
- Testing for Cho Dan must pass the 2<sup>nd</sup> pre-test for Black Belt, “Red 4”, if applicable.
- Must demonstrate the proper respect and maturity expected of a **World Class** Black Belt.
- The Head Instructor has the right to defer your invitation to test if all of the above are not met.

## TESTING INFO:

- Black Belt tests, including level-tests AFTER you are a Black Belt, are the FOURTH Saturday in April, and the FOURTH Saturday in October.
- An invitation to test is not a guarantee candidate will pass. Testing fees are not refundable but may be applied to a re-test.
- Embroidered belts must be ordered by the deadline, otherwise student will have to wait six months until the next order, or pay the additional cost of a one-belt order plus shipping and handling. **Embroidered belts are forfeited and non-refundable if candidate does not pass, and does not re-test.**
- Time/Written Exam: Testing will begin promptly at 9:00 a.m. with a written history exam. The questions and the answers can be found on our website under “Student Info.” A passing grade is 80%. Students will not be promoted if they do not pass the written exam.

- Dress Code: You will wear your uniform for testing. You may bring a **KARATE SCHOOL T-SHIRT** for the run/physical fitness.
- The test will conclude between 2:00 p.m. - 4:00 p.m. depending on how many test.
- We have included a checklist for you to use on testing day so you know what to bring.
- Physical fitness is a requirement like any other technical requirement. Students know what is expected of them. Physical fitness is not something they can re-test on. If they do not pass physical fitness, they are required to complete the entire test again in six months.
- Sparring/Weapons **You must bring your own sparring gear that fits properly, and your own weapons.** Do not plan to borrow the “emergency” gear that we keep in stock for beginner students that have not yet had a chance to purchase their own gear. Sparring is not something that can be re-tested. If the testing candidates give up, walk off the floor, or act in a manner other than what we expect of a **World Class** Black Belt, they will not pass. This is true of their Parents too. We know as Parents ourselves that it’s not always easy to watch your child spar. If you do not believe you can watch without interfering, please plan to leave the room (or building) during that 4-minute period, so you don’t jeopardize the Student passing.
- CARDIO KICKBOXING (“Get Fit” in Madison Heights) will help build endurance so you should consider joining those classes to prepare for this test. FREE for Red 3’s and Red 4’s.
- Coolers: You are welcome to bring a cooler if you desire, with drinks and snacks, but please also **bring a towel or mat** to set under it. When the coolers “sweat” onto the carpet, they leave a stain. If you forget a towel or mat, you will be asked to leave the cooler outside.

## AFTER TESTING/Sharing, Clean Up:

- Sharing: Be prepared to pass the microphone to let us know what you feel after testing! Parents too. Or, what was your favorite part of the test.
- Clean Up: Those that are testing are responsible for tidying up the dojang. (Or families can help out while the Students are doing the 1 mile run.)

## PROMOTIONS:

- Promotions are 2 weeks plus one day after testing, on Sunday, at 4 p.m. in Livonia. No makeup promotions for black belt; the next one will be in 6 months if you are unable to make the scheduled promotion.
- Dress Attire: Dress attire for all participants **and guests**, is “nice clothes”. **No jeans, no t-shirts.** **Please let your guests know.** Black Belt candidates should wear or bring their dobok for the ceremony. They can change back into nice clothes after the demo.
- **Please let your guests know that no shoes are permitted on the mats.** They may bring clean slippers to wear if they are not comfortable in bare feet, or socks only.
- Parking: If parking is full when you arrive, please across the Street at McLaren’s. (We have an agreement with them.) We appreciate you not parking in front of the house next-door as his grass has been damaged in the past by tire marks.

- Dinner: Please bring dinner for your table only. Don't forget plates, silverware, drinks. Let Master Watson know if you need an extra table for food, an extension cord or sterno setup. First-come, First-serve until we run out of these items.
- Guests: You may have at least 8 attendees, including the student, at promotions. Include ALL members of your party when you give us the number. We can **usually** accommodate requests for more than 8, but we set up the exact number of chairs and tables, using a seating chart, so exact numbers are needed. We cannot just "squeeze a chair in" as we may not have an extra chair to squeeze! Nor the space to squeeze it into.
- Guests that are also Black Belts that have completed their level-test: If you have level-testing Black Belts invited to be your guests at your table, please let Master Watson know so we don't double-count them or miss assigning them what to bring.
- Set-Up and Clean-Up: Many hands make light work! You will be asked to sign up to help with either set up the day before promotions at Noon, or to come at 3:00 p.m. the day of promotions to help with balloon centerpieces, or stay after promotions to help with clean-up and taking down tables and chairs. Please sign up for this ASAP as it is **first-come, first-serve**.
- Pictures: We would like at least 4 pictures of the Student for the slide show presentation. If you have a White Belt, Orange or Green Belt, and a Red Belt picture, that would be optimal. Action shots preferred but we'll take what you have. Please send these **electronically** to [mastervaleriewatson@gmail.com](mailto:mastervaleriewatson@gmail.com) beginning today.

## PROMOTION DEMONSTRATION:

- Each student is required to prepare a short demo for promotion. The students can work individually, or with partners/group. The demo must include an open-hand or weapons form, *and* a demonstration of self-defense and/or breaking routine, and must be approved in advance by your Head Instructor. (See chart at end of this letter for all due dates.)

## ESSAY:

- DUE: Black Belt Essays are due **electronically** to [mastervaleriewatson@gmail.com](mailto:mastervaleriewatson@gmail.com) by the **FRIDAY AFTER TESTING**, in order for you to complete the requirements necessary for promotion. Student **will not be promoted if the essay is late**, as the due date reflects the deadline for the promotion booklets to go to print. The next promotion is in 6 months.
- REQUIREMENTS: Arial font; one page minimum; **12 pt font, no more than double spaced**, including the space between the heading/name and the start of the essay; no more than 1 inch margins. Student will not be promoted if the essay does not meet the above page requirements, as a thoughtful essay is equally as important as the other requirements. Feel free to seek help editing for grammar and spelling before essay is submitted. We reserve the right to edit as well, if needed.

## PROGRAMS/CONTINUE ON:

- Cho Dan means “beginning.” You are now beginning to understand the martial arts journey. A minimum six-month program AS a black belt is encouraged so you can really begin to experience the fruits of your labors!
- Tuition is only \$30 per month **if** you sign up to assist teaching two classes per week. \$60 for one class per week. \$90 for no teaching. Discounts are applied when tuition is due, so if you are unable to make the classes you agree to teach, the discount must be re-paid (added back to the next tuition payment).
- Once any re-test items are cleared, candidate may begin attending Black Belt class!
- Students must sign up for a continuing program after testing, in order to continue training.
